

Another new innovation for toilet partitions exclusively from METPAR...
Stainless Steel Concealed Latch with an In-Use Indicator

Inside View

**Metpar's exclusive
Stainless Steel
Concealed Latch with
In-Use Indicator and
matching stainless
steel strike & keeper**

Exclusively from Metpar!

Another new innovation for Metpar toilet partitions... our exclusive concealed latch with in-use indicator is now available in stainless steel with a matching strike & keeper. Now you can provide your customers with the benefits and great features of the concealed latch to match the remaining stainless steel hinges, hardware brackets and other accessories.

Available for toilet partitions in Powder Shield (aka Baked Enamel), Stainless Steel and Metpar's exclusive Dur-A-Text™
